

T 9/1 Bp

The new T 9/1 Bp dry vacuum cleaner from Kärcher features a unique hybrid technology: depending on requirements, the unit can be operated in either the mains-powered or battery-powered mode. The 10-metre power cable can be wound round the cable wrap which is integrated in the motor head. The unit comes standard complete with accessory, two batteries, one 4-way high-speed charger and with an exceptionally tear-resistant fleece filter bag, which holds twice as much dust and dirt as a conventional paper filter bag.

DESIGNPREIS 2009 NOMINEE
